Task Name	Title	Topic	Learning objective	Complexity	Task type	Notes
01_CirclePerimeter	Calculation of a circle perimeter	variables, calculations, printing	Understanding of variables, calculation and result printing	1 - low	worked out example	
02_BasicCalculation	Basic calculation	variables, calculations, printing	Understanding of variables, calculation and result printing	1 - low	imitation task	
03_DataTypes	Examples for data types	variables, calculations, printing	Understanding of basic data types and related values	1 - low	completion task	
04_InputZahleneingabe	xxx	variables, calculations, printing	Understanding of basic data types and related values	xxx	xxx	
05_VariablesDataTypes	Examples for data types	variables, calculations, printing	Understanding of basic data types and related values	1 - low	worked out example
